Local and Regional Matching Gift Companies

Many companies and organizations in Minnesota sponsor matching gift programs and will match charitable contributions made by their employees, and in some cases retirees, to non-profit organizations such as MacPhail Center for Music. **Through corporate matching gift programs, cash gifts (including gifts of securities) from a company's eligible employees and retirees are matched with company or corporate foundation funds. It can double and in some cases triple the impact of your gift!**

If your gift is eligible for a matching gift, please request a matching gift form from your employer's Human Resources Department, complete your portion, and send it signed with your gift to the address listed below and we will do the rest.
