Award Expectations:

MacPhail Center for Music strives to transform lives and enrich our community through music education. As a potential recipient of financial aid, you must meet the five expectations outlined below. This will ensure that you receive the best possible music education and that MacPhail makes the best use of its limited financial resources.

1. Aid recipients will attend all lessons, classes and ensembles for which they are registered. If the recipient is unable to attend a session, notification will be given to the teacher as soon as possible. Repeated absences will jeopardize a recipient's financial aid eligibility. **For parents of students under 18, clear and consistent communication with teachers is expected.**
2. Recipients must be on time for all lessons/classes.
3. Recipients must bring appropriate materials to lessons/classes. In addition, recipients must practice and prepare for each lesson according to requirements designed by the teacher and student.
4. Recipients must receive a positive evaluation from teacher.
5. Recipients must meet established deadlines for tuition bills not covered by financial aid.

Failure to meet the above expectations may result in the loss of aid and/or suspension of lessons.

I certify that I have provided current, accurate and truthful information. I understand that, should I receive financial aid, I will be responsible for paying any tuition balance and applicable fees by indicated deadlines. I have read the expectations outlining attendance and other guidelines and understand that my instructor will be aware that I receive financial aid (but not the amount) to help the evaluation process.
