### Online School Partnerships: NoteWorthy Instruction Program

Submission Deadline May 10, 2024

Since 1989, MacPhail School Partnerships has enriched students' lives by delivering unparalleled instruction in collaboration with Minnesota schools. Our dedicated staff collaborates with schools to create customized and relevant programming, offering individual instruction, sectionals, ELL support, residencies, masterclasses, and more.

For over a decade, MacPhail has utilized online instruction to connect teaching artists with students statewide. With new funding for Online School Partnerships (OSP), we are thrilled to introduce an online extension of the NoteWorthy Instruction Program. This opportunity provides schools in small districts (<1000 students) over an hour away from MacPhail Minneapolis with 25 hours of live online instruction from MacPhail faculty to enhance their music classrooms at no cost. Project examples include sectional coaching, music production courses, composition residencies, and more.

- Name of Primary Contact
- Job Title of Primary Contact
- Email Address of Primary Contact
- Name of school
- School address
- Principal Name
- Principal Email Address
- Age/Grades of students served
- Type of school                      Number of students in district
- Number of miles from MacPhail Minneapolis (501 S 2<sup>nd</sup> St)

- In 250 words or less, explain how your proposal fits into the spirit of OSP’s mission to increase access to music education for K-12 students in rural or Title I schools in Minnesota.

- Have you worked with MacPhail School Partnerships in the past? Please explain.

- Are there any specific MacPhail faculty you’re interested in working with?

Participating in online instruction requires internet access and at least one device that can connect to a virtual meeting room (Zoom, Google Meet, etc.) Do you have the tech to support online instruction? Are there any technology barriers that the OSP team might help mitigate should your school be selected? Please explain.

Please send your completed application to [schoolpartnerships@macphail.org](mailto:schoolpartnerships@macphail.org) no later than May 10, 2024. Chosen proposals will be announced by June 3, 2024 via email, and we will set up a time to discuss scheduling and coordination for programming beginning Fall 2024. Proposals will be reviewed and scored by a panel of MacPhail staff to identify the proposals that most strongly address the mission of the NoteWorthy Instruction Program. We will prioritize proposals that provide the strongest benefit to students and serve schools demonstrating the highest economic need. If selected for the Noteworthy Instruction Program, some minor changes to the proposal may be necessary to meet both your goals and logistical needs. However, you will work directly with the Online School Partnerships Manager and School Partnerships Team to help your vision come to life. We may request media releases to help us document the project on our website.
