Summer financial aid awards are capped at 25% of tuition. All financial aid camp awards are based on need. The amount of financial aid is determined by a sliding scale, which takes into account household income and number of exemptions. Awards are granted for income levels up to $69,999 with 10 exemptions. See our website at https://www.macphail.org/financial-aid/ for more information. If you have any questions please feel free to contact MacPhail Student Services at 612-321-0100.

Priority Deadline: Aid for summer camps is limited. Applications will be considered on a first come first serve basis while funds are available.

Expectations:
MacPhail Center for Music strives to transform lives and enrich our community through music education. As a potential recipient of financial aid, you must meet the five expectations outlined below. This will ensure that you receive the best possible music education and that MacPhail makes the best use of its limited financial resources.

1. Aid recipients will attend all lessons, classes and ensembles for which they are registered. If the recipient is unable to attend a session, he/she will notify his/her teacher as soon as possible. Repeated absences will jeopardize a recipient's financial aid eligibility.

2. The aid recipient must be on time for all lessons/classes.

3. Recipients must bring appropriate materials to lessons/classes.

4. Recipients must practice and prepare for each lesson according to requirements designed by the teacher and student.

5. Recipients must meet established deadlines for tuition bills not covered by financial aid.

Failure to meet the above expectations may result in the loss of aid and/or suspension of lessons.

I certify that I have provided current, accurate and truthful information. I understand that, should I receive financial aid, I will be responsible for paying any tuition balance and applicable fees by indicated deadlines. I have read the expectations outlining attendance and other guidelines and understand that my instructor will be aware that I receive financial aid (but not the amount) in order to help the evaluation process.
